THIS MONTH'S DVD...

Our pussy count this month is through the roof - from luxuriant bushes like Penelope's to trim little rabbit nostrils like Jodie's. Whatever your pleasure, you'll find a treasure!

PUMPED PUSSIES

ALEXIS

We think even Ranulph Fiennes might have a spot of bother scaling sexy Scot Alexis' Highland peaks. He'd need all his body parts unfrostbitten when he got there too

- Alexis likes nothing more than all her holes being plugged at the same time.

Tally ho! They're dressed in jodhpurs and riding gear, so it seems appropriate we'd catch Brook and Roxie in the act of feeding each other's ponies. "She fingers me like a fucking star," groans Brook, her pussy firmly parked on pal Roxie's delving digits. "Look at how wet I am. She's such a dirty mare, look, she's licking my twat juices off her fingers!"

BOX CLEVER

I kept having fantasies about the local parcel delivery man so eventually I decided I would have to do something about it the next time he came.

I'd ordered some things off the net and knew they were due on Tuesday so come Tuesday morning I was waiting with great anticipation. I'd dolled myself

up making sure I was flashing enough cleavage. All I had to do now was wait.

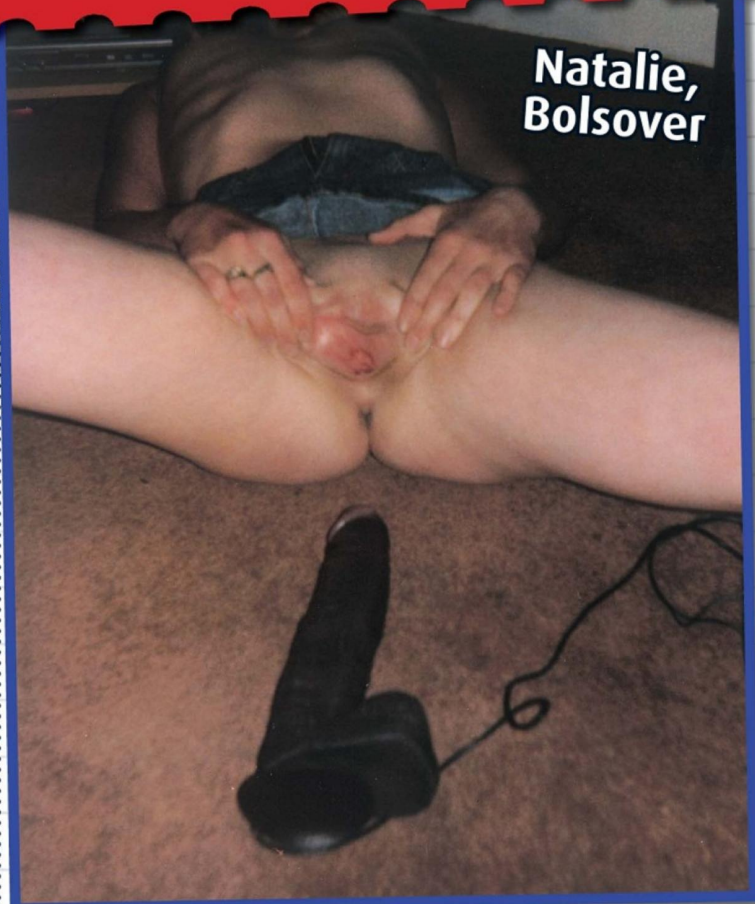

When I heard a knock at the door I opened it and there he was getting the boxes out of the back of the van. I stood against the door and just started fingering myself so when the delivery guy reached the doorstep he could see me in full glory.

Looking at my cunt his eyes were glazing and I could see his cock was getting harder. I asked him to bring the boxes in for me and guided him through to the dining room where I did myself with a dildo.

Then I began rubbing his bulge, before I unzipped his trousers and pulled out his cock.

I sucked and licked on it for ages before suggesting he now take me upstairs to my bedroom which he was more than willing to do.

Once I was on my bed I told him I wanted him to lick my pussy. He guided two fingers into my cunt

Natalie, Bolsover

and started fucking me with them while licking my clit.

Suddenly he was making me cum and before I knew it I

In that position he fucked me really hard, making me scream with pleasure as he grabbed my arse cheeks and

"I started fingering myself so he could see me in my full glory"

was squirting over and over again which made me want to ride his cock so I pushed him on to his back.

I sat myself on his upright cock and fucked him slowly before he pushed me onto my front so my face was buried in the pillow.

spread my pussy as wide as he could.

Thrusting hard into my cunt he eventually filled it with his spunk and left me wanting more of his cock. I've ordered lots more gear online for a repeat performance!

Natalie, Bolsover.

LOFT LOVING

Over the last few months my husband Steve has been converting our loft into a new master bedroom. The work has been going a bit slow because he's only had time to do it at weekends so I suggested he get someone in to help.

So last weekend his mate Dave turned up on our doorstep early in the morning ready to lend a hand. The men got to work while I potted about the house.

Usually I'll let my husband work for a couple of hours then give him some welcome relief if you know what I mean and just because Dave was here this time I wasn't going to let him go without.

"Tea's up, boys!" I shouted up the ladder to the pair of them before quickly running into the garage and shedding my dressing gown so I

"I was getting spit-roasted in the garage and it felt great!"

Stacey,
Shropshire

was absolutely starkers.

When Dave walked in and saw me he had a grin on his face. Steve had warned him what I was like.

I went straight up to him, grabbed his bulge and dropped to my knees. Then I pulled down his jeans and took his cock in my mouth.

As I sucked on Dave's massive dick my husband walked in and gave his mate a knowing smile. Steve loves watching me suck off other blokes.

Out of the corner of my eye I could see my hubby drop his pants and start wanking himself off. When he was stiff enough he came up behind me and started rubbing my wet juicy cunt.

I kept noshing on Dave's prick as Steve buried his dick inside my cunt. There I was getting spit roasted in the garage - it felt great.

After a while Dave said he wanted to fuck my pussy so he and my husband changed ends. When I took Steve's prick in my mouth I could taste my own juices.

When Dave slipped his big old member inside me I certainly felt it and it was lucky I had my husband's dick in my mouth otherwise I would have screamed the place down.

Then Dave asked if he could do me up the bum. I was a bit worried because I'd never had one that big up there but Steve seemed pretty keen for me to do it so I agreed.

KELLY

PRESCRIPTION: JUGS!

"Dressing up is the simplest way to put a bit of the magic back in your marital mojo," Kelly confirms. "This nurse's outfit might look a bit tacky, and I felt a bit silly wearing it at first, but when I saw how hard my fella got, how rampantly he ripped my boobs out of the outfit and how ruggedly and brutally he fucked seven bells out of my pussy, I became a real fan!"

I could feel Dave prodding his knob against my arsehole and then with one big push he shoved it in.

It was enough to send me over the edge and I came before Dave had even started fucking my arse. It was obviously also too much for my

husband because seconds later he shot his creamy load in my mouth.

Dave had more stamina though and banged away at my back passage for ages until he finally pulled out and sprayed his sticky mess all over my back.

I let the guys go back to work but told them they'd be due another tea break in a couple of hours.

My husband reckons they'll be finished in a couple of weeks so I said Dave can come and help us christen the new bedroom! Stacey, Shrops.

BLIND LUST

I love my new flat! Huge windows, park below, perfect for spying on unsuspecting fit blokes.

At the weekends, normally towards the end of the day, when all the shops are starting to close, that's the best time to have a peek outside.

I can't help myself! There are some really fit blokes that work in a shop down the road, and they walk across the field every weekend, and I just can't help but reach into my panties and give myself a good friggling!

They can't see me when I've got the blinds slightly open, which turns me on even more. I love the excitement that no one can see me.

But there was a day when I hadn't closed the blinds enough and, to my surprise, one of the guys from the shop was staring up, watching me with my fingers in my pussy, juices running down my thighs.

It took a while for me to notice he was there as I'd got a bit carried away. I'd been caught red handed!

He had a big grin on his face while mine was just red with embarrassment.

Turning round, he walked away, leaving me feeling slightly disappointed, as it was him that I was imagining with his tongue deep inside

I opened the blinds slightly, just so he could get a glimpse and then slowly started giving him a sexy strip tease.

Opening the blinds a little more, I undid my bra giving him, and whoever else was looking an eye full of my massive boobs.

Then I gave him a wink so he made his way to the entrance to my flat.

I met him at the front door wearing a tight pair of jeans, and a black crop top, still without my bra!

We went upstairs. I could feel him undressing me with his eyes and it was turning me on so much, I wanted to take him both there and then on the stairs.

So I did. I turned round and looked down at him while neither of us said a word.

He looked down at my glistening pussy, and my tits that were bursting out of my top. Then he grabbed them, pulled down my top and sucked hungrily on my

BARGAIN CUNT

Tina has always had large 34FF breasts and has used them to her advantage on many occasions. For some while now we have wanted a luxury car especially a Jaguar.

Tina,

of six inches and a thick shaft.

Licking up and down his shaft he was soon moaning. She has a great tongue and between the licking and sucking she gave him a good wank.

At times she would take all of his length as he held her head and fucked her mouth. Occasionally between those thrusts he would pull out and rub his helmet over her face.

Getting noisier between sucking Michael said he really wanted Tina to swallow his load.

"I watched him
jerk his cock into
my wife's sucking,
slurping mouth"

Recently one was for sale at a good price in a local garage. Walking around the forecourt and wearing a low-cut top showing her cleavage Tina looked great.

Michael, a young fella of 24, was soon out of his office and captivated by Tina's

great tits.

His eyes never left her melons and he was soon hooked. It was clear Michael would haggle so not long after going into the office Tina lifted up her top - he was smitten.

With her inch-long nipples

on display the deal was going well. On standing up he had a huge erection from looking at her tits. She loved it.

Michael said he would knock an extra amount off the bill if he could have some photos of him and Tina together. That was fine by us.

So we went for a test drive with the plan to take pics at his house. Once we got there the young fella started to suck at her nipples as I clicked away on camera.

Taking down her knickers and getting Tina to squat on the kitchen worktop Michael parted her legs and licked up into her pussy.

She was sopping wet by now and wearing fishnet stockings which seemed to get the youngster horny.

Not once did Michael get his cock out but that was soon to change.

Arriving back at the office with Tina happy and Michael suitably impressed a deal was done - well almost!

Sitting back in a chair Tina wanted to see the young man's cock. Michael soon produced his penis and she rolled back his foreskin, a length

"Only if we get more off the price!" Tina replied.

He soon agreed. With a big groan he pumped his cum into her mouth. Clicking away on the camera and watching Michael jerk his penis and Tina sucking and slurping I knew he was being well milked.

When he pulled out his cock I saw it was completely clean. Tina opened her mouth and there wasn't a drop of sperm to be seen.

Well done, Tina! We had a deal and Michael was well done so there were smiles all round.

Mark, Beds.

EMMA

RACK ATTACK!

WHAM BAM
THANK YOU
MAMS!
DVD GIRL!

EMMA

Emma is rapidly becoming one of our favourite models at the moment. And it's not just because of her amazing boobs - although that would be enough even if she had a satsuma for a head. Her light freckly complexion, soulful blue eyes and crotch-melting Essex accent make her the perfect package - for our package!

Stumbling through the door at four in the morning, shouting the odds and demanding more boozes - surely that's our job? But party animal and geezer bird Kimmy Haze never wants the night to end, and uses that champagne bottle to keep her, er, "up" till the break of day!

KIMMY

I'M A DIRTY
STOPOUT WHO
GETS IT ALL OUT!

PARTY PIECE

My girlfriend Judy is a right filthy slut but I didn't realise until recently that she likes to fuck other women.

We were at a party at a friend's house and as usual Judy got drunk really quickly and started flashing her boobs. I don't mind though as I get quite turned on by her exhibitionism.

All the fellas were staring at Judy's boobs but it was her mate Claire that started feeling them up. Judy didn't flinch as Claire tweaked her nipples and I could tell they were being

Judy,
Mansfield

deadly serious. When Claire took Judy's hand and led her upstairs I just had to follow. The three of us went in to an empty bedroom and the girls started undressing right in front of me.

I took a seat in the corner while Judy and Claire lay on the bed snogging each other.

Then Judy went down on Claire and it was obvious she had done it before.

As you can imagine this had my dick stiffer than ever and I quickly took all my clothes off and joined the girls on the bed.

Judy told Claire to suck me off so she did just that while my girlfriend licked

"I spunked all over their faces, everywhere but their mouths"

so I had no trouble fucking her while she continued to eat out Judy's pussy.

Judy came for a second time and then Claire had her first orgasm. She was one of these girls who wriggled really frantically when she had an orgasm and it made me and Judy laugh.

When I felt myself on the verge of cumming I pulled my dick out of Claire's pussy and demanded both girls turn open-mouthed ready for me. Pulling myself off, I spunked all over their faces making sure I got it everywhere but in their mouths.

The pair of them licked each other clean of my spunk while I got dressed and went back to join the party downstairs. Mind you I should have stuck around with them because they took another hour to reappear!

Tim, Mansfield.

out her pussy. I leaned over and fingered Judy's juicy cunt and it wasn't long before she was cumming.

Then the girls swapped over. Judy took to sucking my dick while Claire began licking her pussy.

I couldn't reach Claire's cunt to finger her so eventually I pulled away from the pair of them and moved round so I could fuck Claire.

She had a really tight pussy but it was quite slick

TIGHT SHIFT

Two years ago I was made redundant from my job as an executive salesman. I reluctantly took a job in a local supermarket and before long I had settled in as part of the team.

There was one girl in particular, Hannah, who I got on with very well as we worked the same shifts and lived in the same area.

Although Hannah was much younger than me she flirted outrageously and

what Hannah had to offer.

No sooner had I stepped outside Hannah appeared in front of me with her blouse wide open and her cunt twitching for my hard member.

Hannah cupped my balls in her right hand and gently licked my lips with her tongue.

We made our way round to the delivery bay where nobody would see us and Hannah undid my trousers.

She got down on her knees

"I squirted man cream all over her rigid nipples then before collapsing"

always had me wondering what it'd be like to stick my often hard shaft in her snatch.

One night during my tea break I walked into the quiet staff room to fetch my fags from my locker only to find Hannah with her blouse off showing her pert round tits.

Embarrassed, I muttered my apologies and left as quickly as possible only hoping that my throbbing cock hadn't drawn too much attention to itself.

I got back to work and half an hour later Hannah approached me from behind, grabbed one of my arse cheeks and told me she was disappointed I'd left the staff room so quickly.

By now I realised Hannah fancied me and thinking about those tits and a sopping wet pussy, I offered her a lift home as I knew her boyfriend was out of town.

Hannah accepted my offer and we arranged to meet in the car park at the end of our shift.

Come the end of my shift I was dying to see

and began sucking my erect cock, smearing her spit all over my bell-end with her lips. I urged her to stand up and slipped my hand up her skirt. She had already removed her tights and her cunt was dripping with sex juices.

I fucked her wet pussy with my fingers until she was begging me to put my cock in her. I bent Hannah over and she

put her hands on the wall. I eased my slick cock into her pink hole and fucked her hard for about 20 minutes before she screamed in ecstasy.

Then I turned her around and pulled on my cock until I squirted man cream all over her rigid nipples.

We quickly got dressed and collapsed into my car with exhaustion.

Upon arriving at Hannah's flat she leaned over and gave

me a kiss. She rubbed my still-hard cock, said she'd enjoyed my company and insisted we do it again some time.

I saw her in work the next day but unfortunately her boyfriend was picking her up that evening. She still gives me the eye now and again and needless to say the next time her boyfriend's out of town I'll gladly be her cabbie.
